Foreword

"I am a part of all that I have met. . ."

—Tennyson

The development of the mind as well as the body plays an important part in building the characters of Princess Anne students. The opportunities that exist for each student are unlimited. Students are encouraged to promote their interests through study, athletics, and club activities.

Each year, Princess Anne has expanded its scholastic program in an attempt to broaden the students' perspectives.

The addition of new courses in the language and industrial arts department is a prime example of the expansion of Princess Anne's scholastic program.

The 1964 **Peerage** Staff has endeavored to present the many and varied aspects of student life at Princess Anne. We hope that now and in years to come this book will hold many pleasant memories for the readers.

Dedication

Tribute to the New City of Virginia Beach—Since the Virginia Beach and Princess Anne County merger of last year, the students of Princess Anne High School have become citizens of a cosmopolitan area.

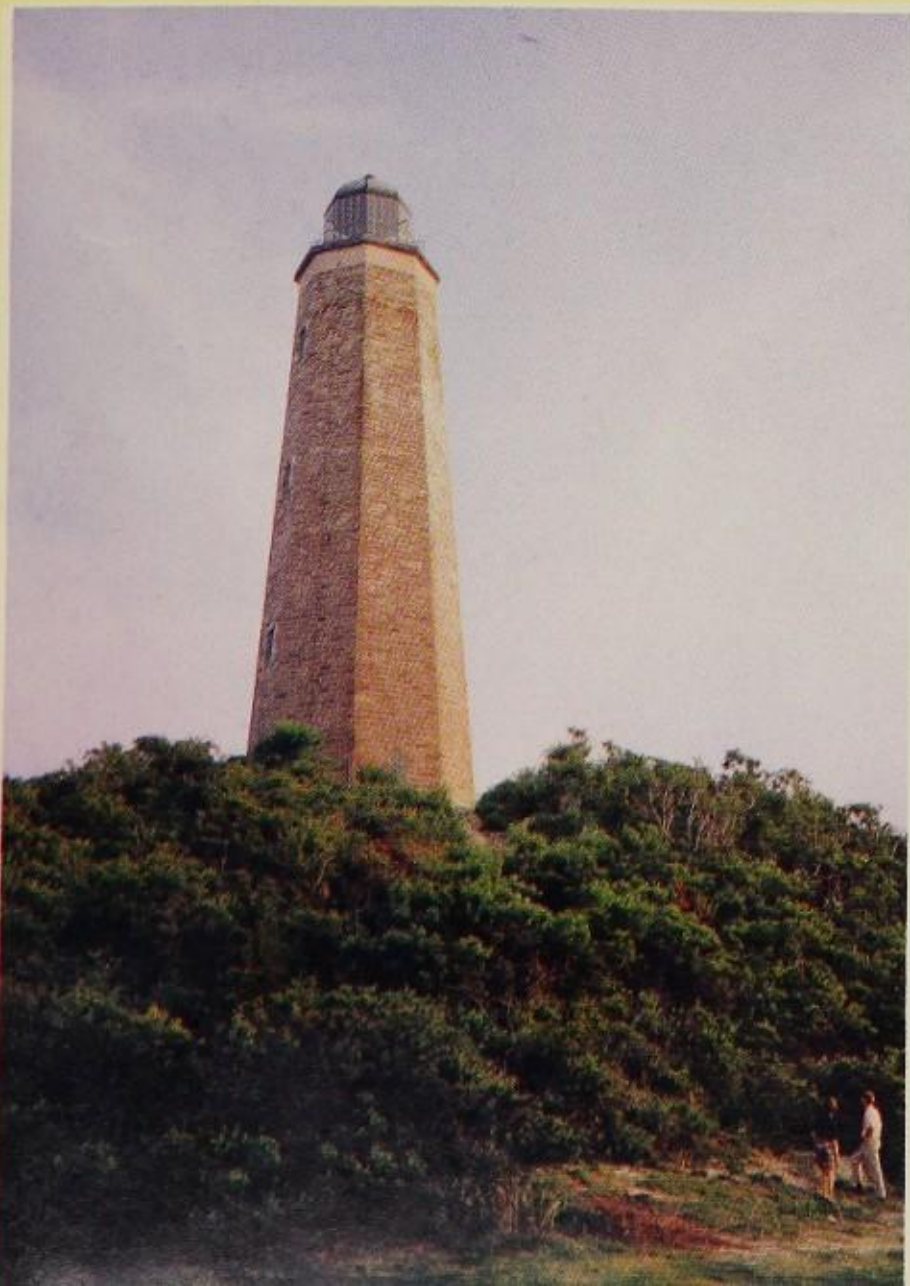

We of Princess Anne have become a part not only of a beautiful resort city but also of a city with many historical landmarks including the Cape Henry Lighthouse, the Princess Anne Courthouse, and the statue of the Norwegian Lady.

For many of us, the Virginia Beach vicinity is not new. Those who have lived in this area for many years have seen numerous changes — from the disappearance of familiar farm lands . . . to the rapid growth and expansion of housing projects, the construction of new schools each year, the completion of the Chesapeake Bay Bridge Tunnel—and most of all, to the formation of the NEW CITY OF VIRGINIA BEACH.

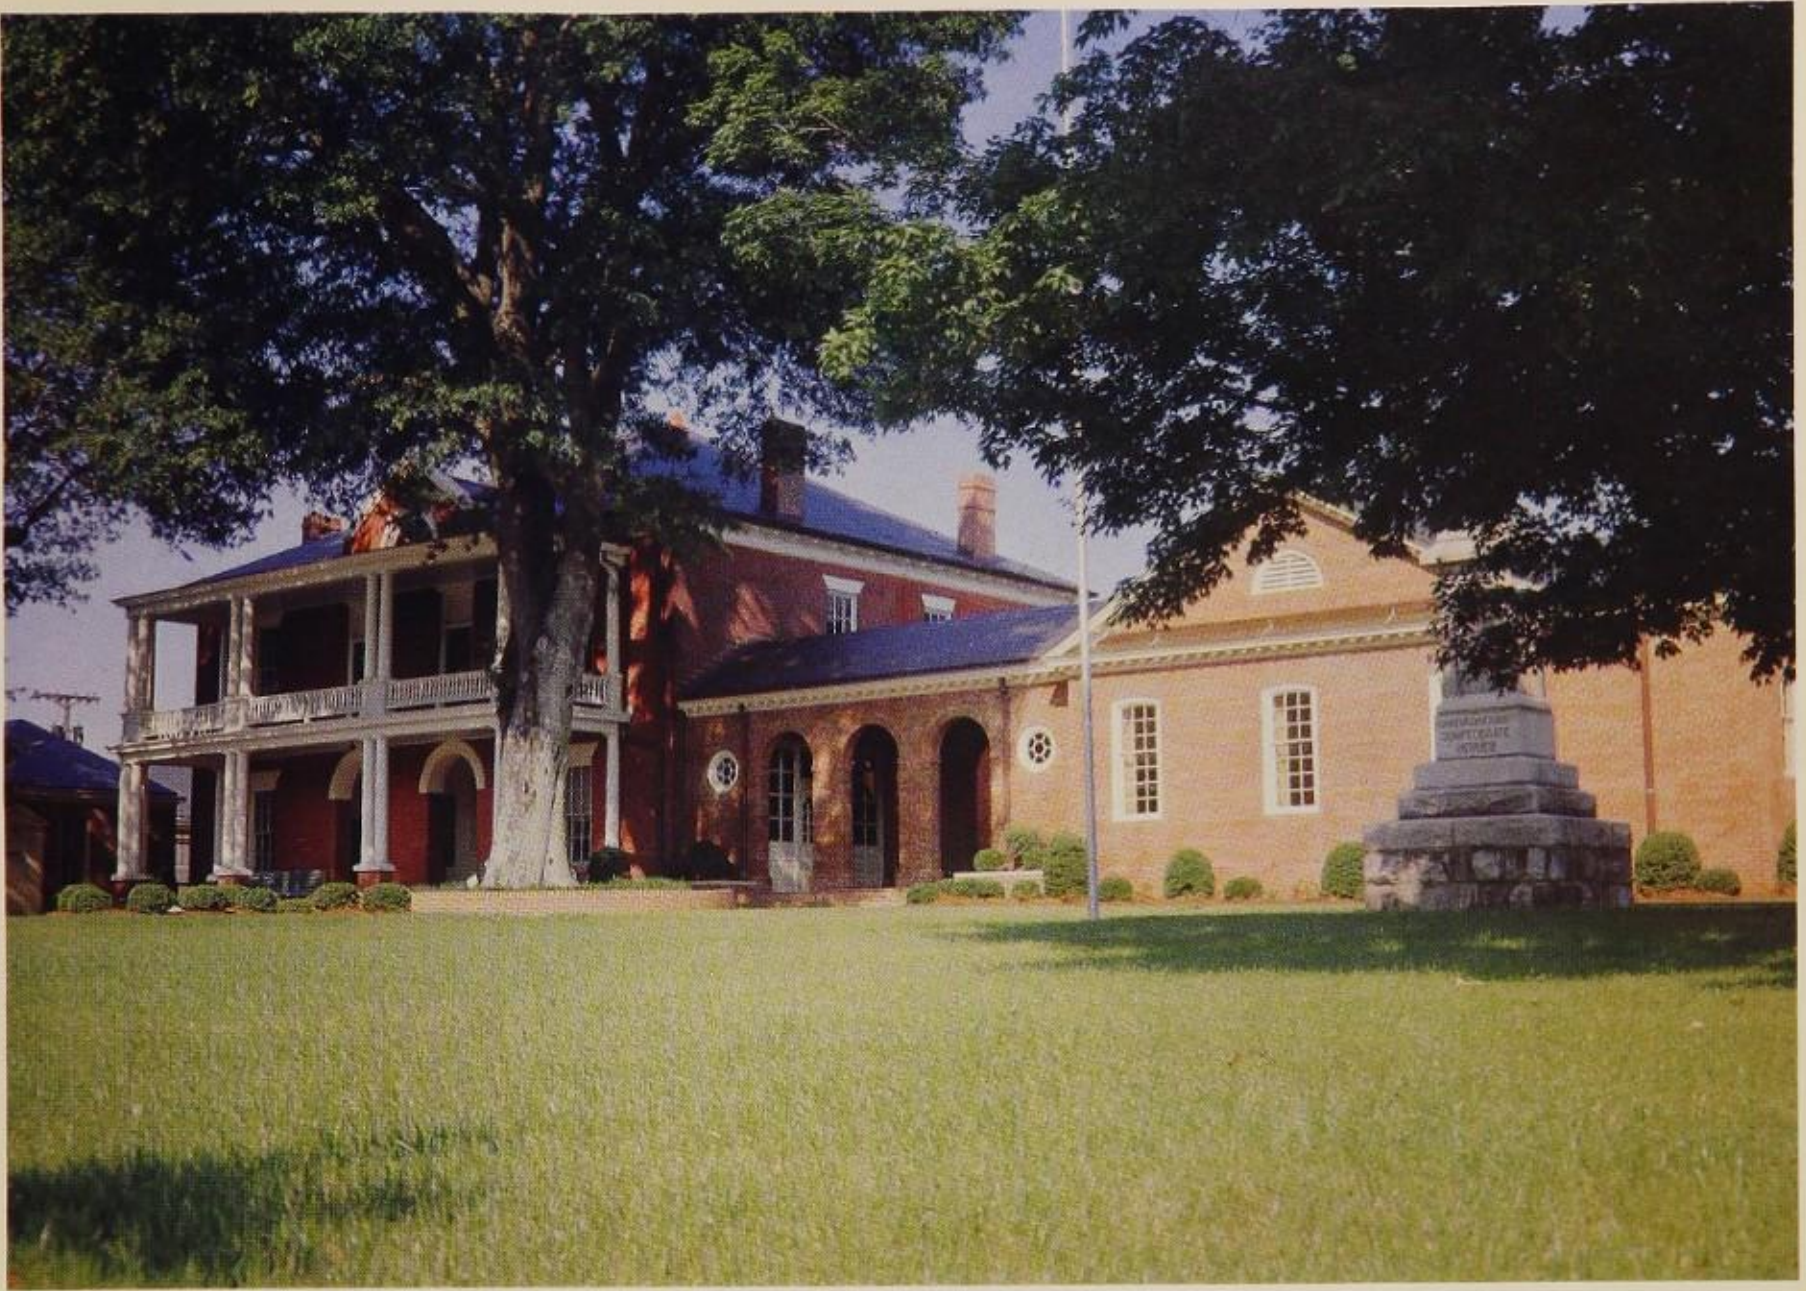

To those students who are new to the City of Virginia Beach and Princess Anne High School, a welcome is extended from the largest high school in Virginia Beach and from the “largest resort city in the world.”

Historic Virginia Beach Landmarks

The Cape Henry Lighthouse, built in 1791, was the first one built by the United States Government.

Historic Princess Anne Court House has become the administrative center of the new city of Virginia Beach.

Spanning 17.5 miles, the Chesapeake Bay Bridge Tunnel is the longest structure of its kind in the world.

Introduction

ADMINISTRATION: The teachers and administrators provide the student body with guidance, knowledge, and inspiration.

STATUS: Each year at Princess Anne marks a new level in a student's high school career. In the sophomore year, students acquire habits and establish goals. The junior year is often the most decisive for the student's future. The senior year, of course, is the epitome—for this year marks not only the end of four years of education, fun, and experience, but also the beginning of a new era of adult life.

ENVIRONMENT: Princess Anne High School—The atmosphere of classes, study halls, assemblies, and clubs are all a part of our Alma Mater.

ESCAPE: Student activity never stops at 3:23 Friday afternoon, for each student may enjoy dances, bonfires, pep rallies, the prom, and finally the beach.

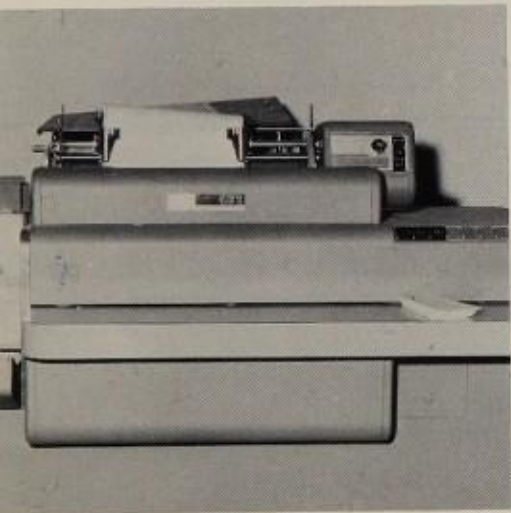

MOTIVATION: Athletics play an important part in high school activities. Princess Anne has had a successful year in all its sports.

Escape — Where else but to the telephone?

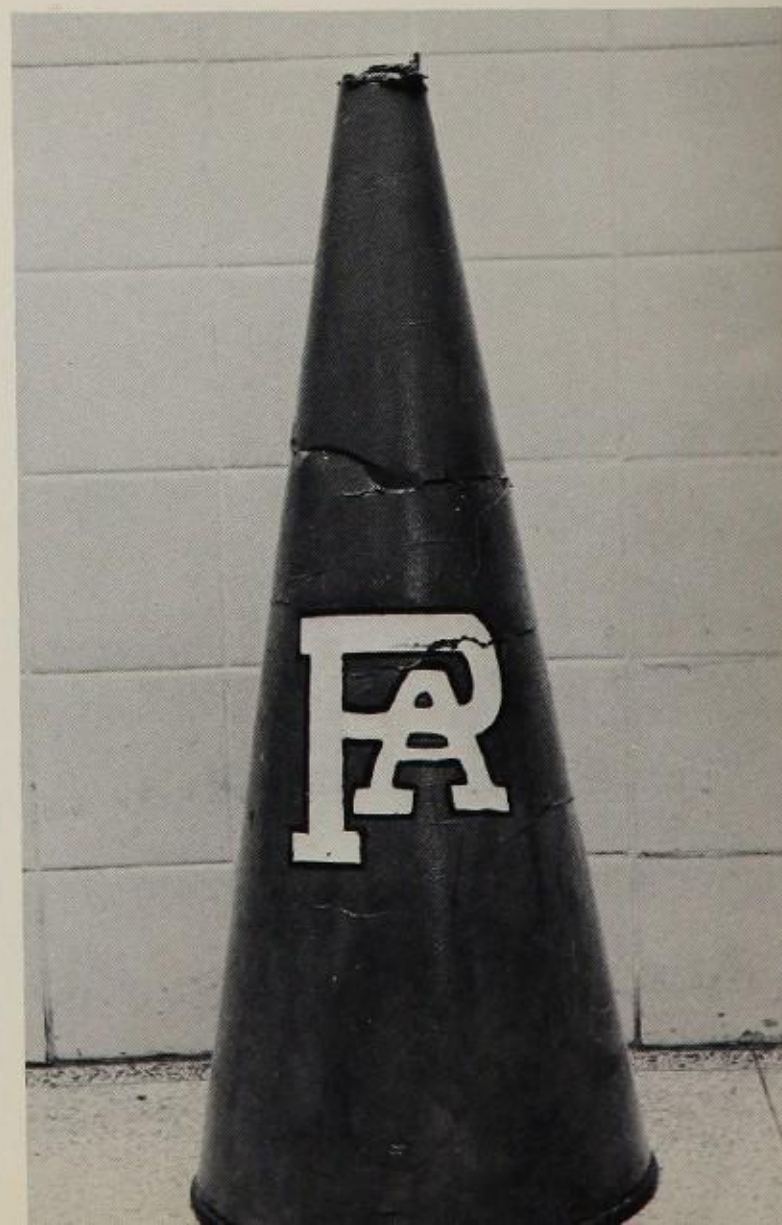

Status — Who else but a senior would have time to knit?

Environment — Books, can't graduate without them.

Motivation — It's what's behind it that counts!

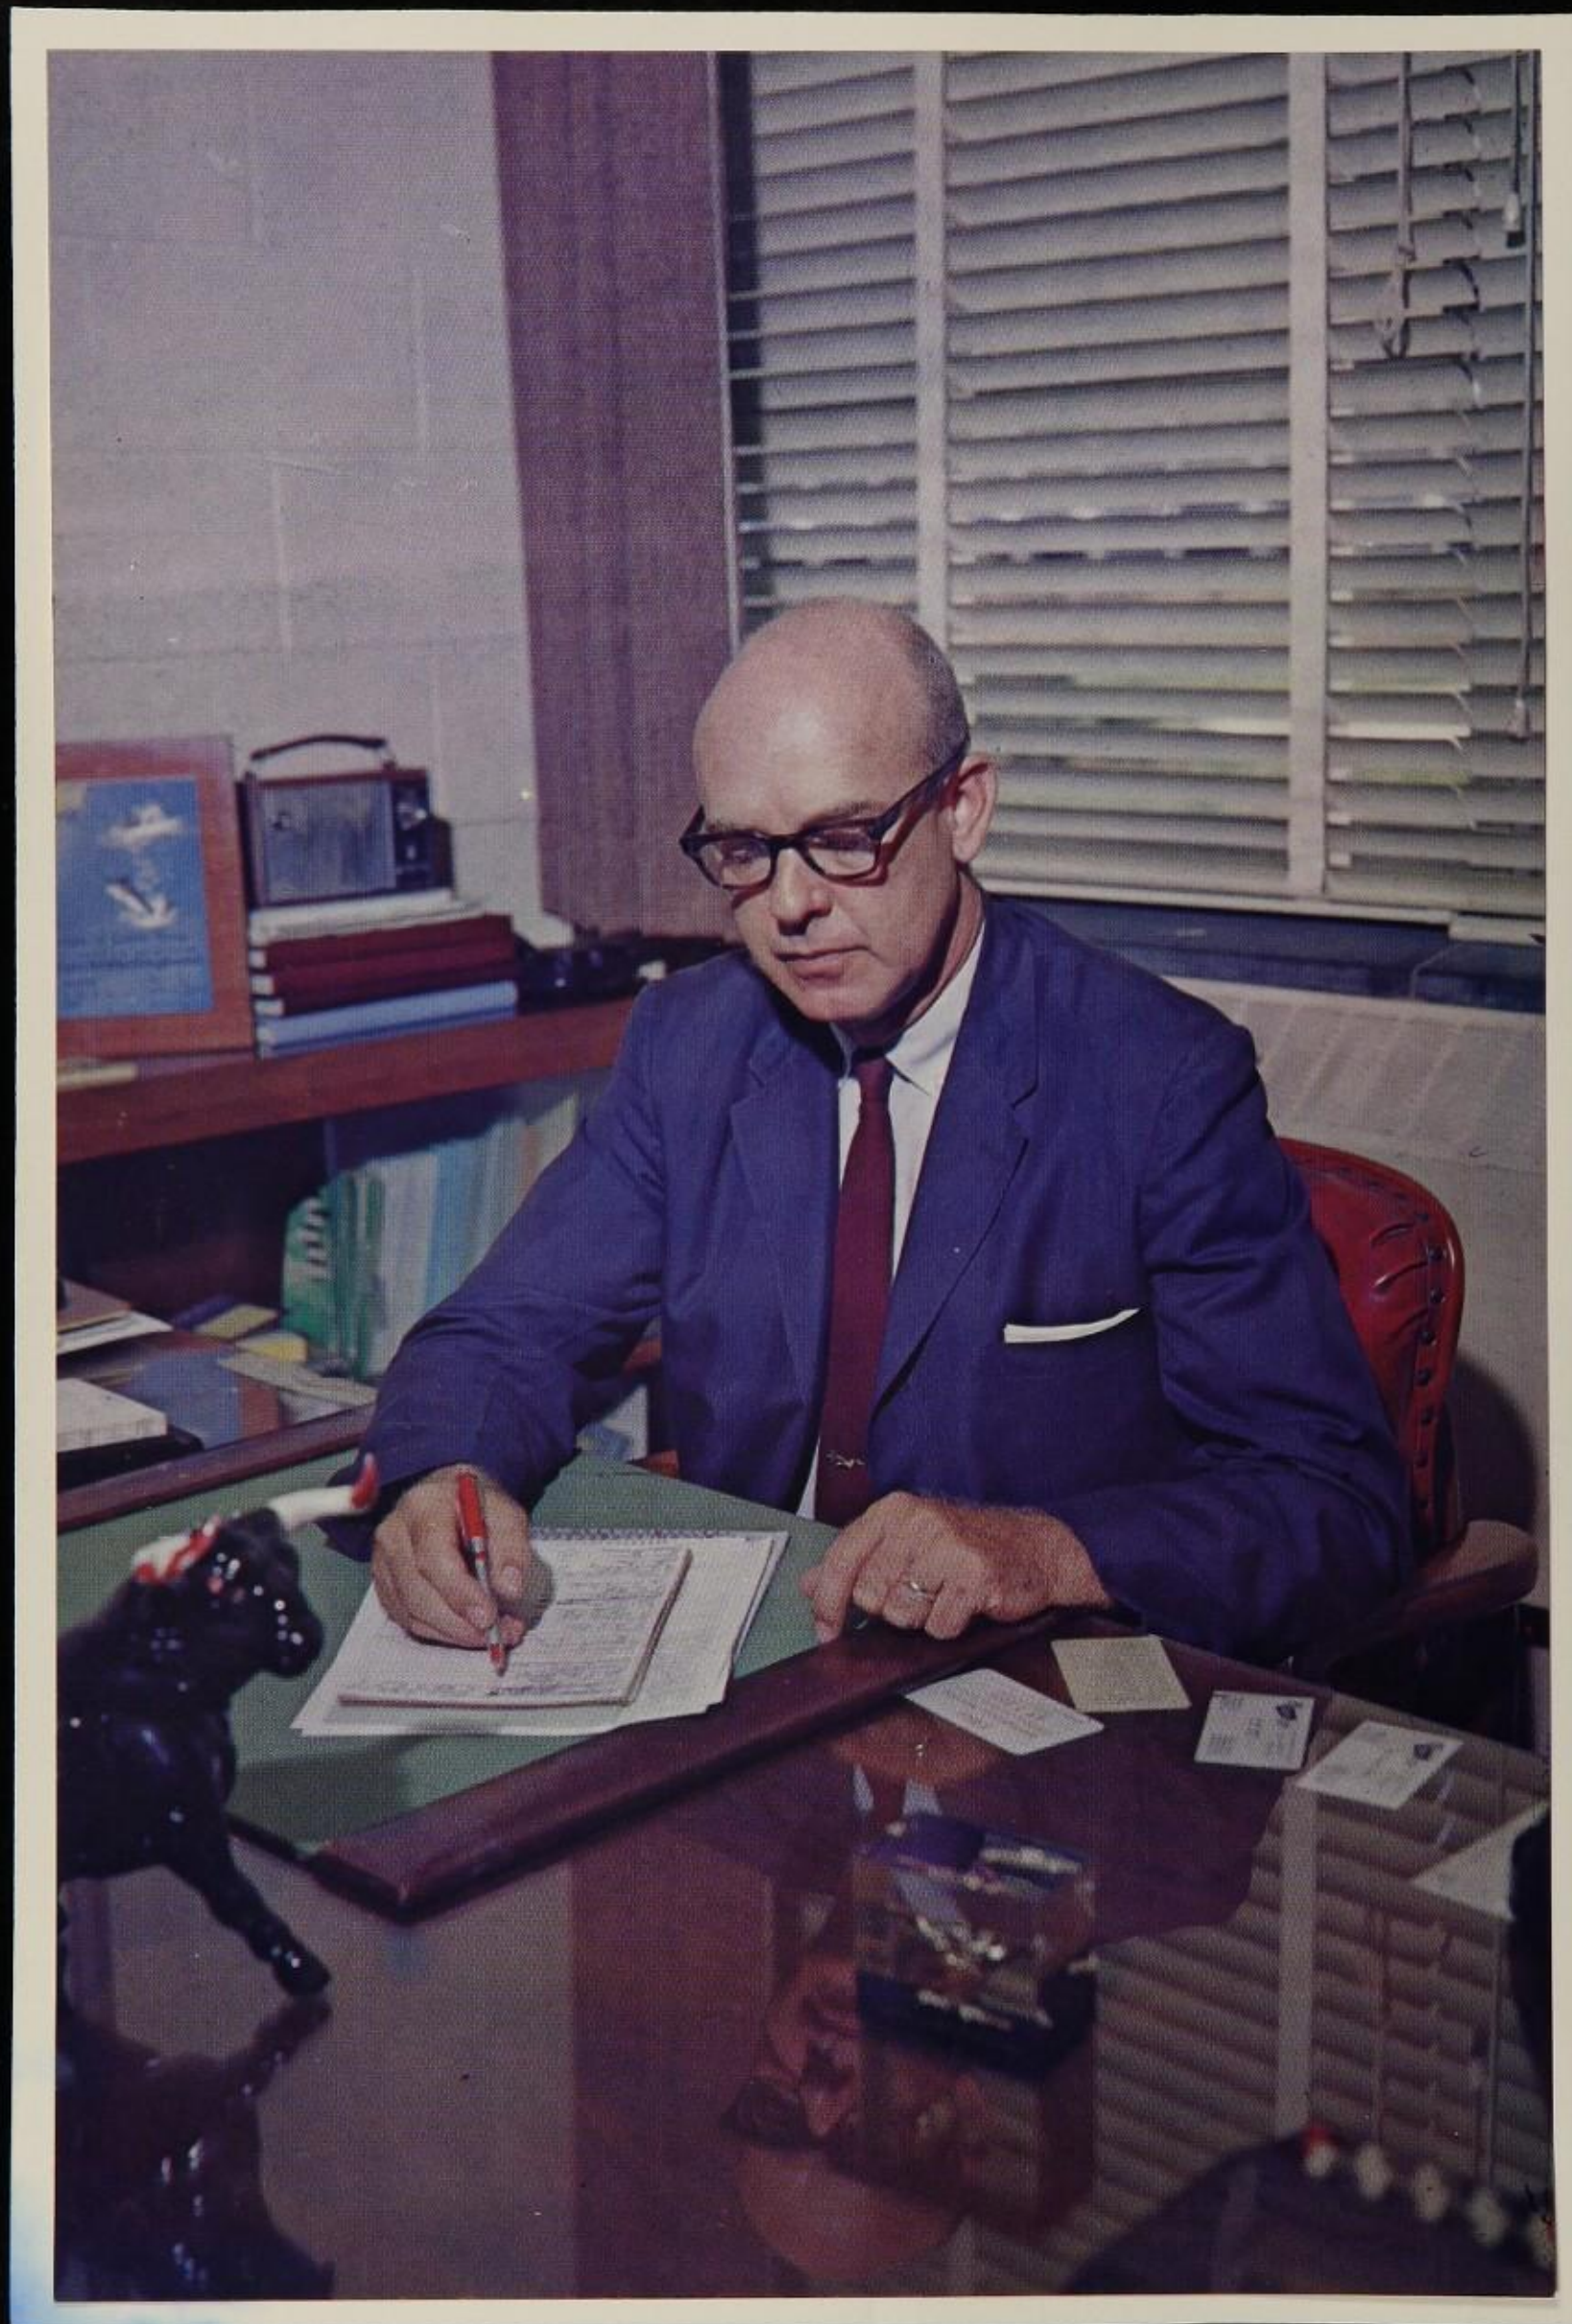

In three steps, Miss Linda Howell becomes Homecoming Queen of 1963.

And Princess Anne did — PA 23, Deep Creek 6.

The art of teaching involves much more than the mere dispensing of knowledge. It requires more than just hours spent lecturing, or grading papers. It demands the quality of understanding, the ability to lead, and the desire to guide. Only those dedicated men and women who possess a love for knowledge and an earnest desire to pass this knowledge on to their students can perform this art with success.

The student body of Princess Anne should be proud of their well qualified administration.

It is with this thought that the **Peerage** Staff introduces the ADMINISTRATION of Princess Anne High School

In each class, the student is confronted with the opportunity and responsibility to learn about another facet of adult life. The primary prerequisite for becoming a competent citizen is thinking, rather than blind acceptance. Surrounded by contemporaries of varying attitudes and abilities, the student must decide what course his life will follow.

One's mental maturity is measured by his STATUS as a sophomore, junior, or senior. Graduation from Princess Anne is the apex of student life.

Senior Class of 1964

It is difficult to express what it is and what it means to the student to be a senior. It is a magic and often traumatic year. Anticipation, reluctance, relief—each is a part of that special year which may never be recaptured. The painting sessions on the gym roof, class rings, Homecoming festivities, senior assemblies, the prom, and finally graduation are only a few of the major highlights of the year. What senior can

forget the rush to finish term papers, the victorious football games, and the dreaded semester exams?

The Class of 1964 is the largest ever to graduate from the portals of Princess Anne. We may boast the outstanding athletic and academic achievements. It has been a successful year and one which we will never forget.

Four years of active participation are enough to wear any school-spirited Senior out.

OFFICERS OF THE CLASS OF 1965: Bill Montez, President; Martha Davis, Treasurer; Frances Pollock, Vice-President; Peggy Mannen, Secretary.

JUNIOR CLASS

Each year of high school has its time-honored traditions. The junior year is no exception. Memories of the Junior Ring Dance include the first stare at that wonderful status symbol, the Senior Class ring. Although the Class of 1965 did not win the traditional Junior-Senior Powderpuff Football Game, it provoked enthusiasm and class spirit. At the Junior-Senior Assembly, the Juniors received the Last Will and Testament from their graduating classmates. This custom marks the end of the Junior year and heralds the following fall when they will be the "glorious Senior Class."

SOPHOMORE CLASS OFFICERS: Pete Sachon, Vice-President; Yvette Carpenter, President; Kathy Buurma, Secretary; and Carolyn Annas, Treasurer.

SOPHOMORE CLASS

The Sophomore year is a very decisive year. Students must adjust themselves to the rigorous demands of high school. Leaders must step forward to guide their classmates to success. And most important, the Class itself must set its aims and goals for the next two years.

The Cavaliers should be proud of the Class of 1966; for, indeed, its members have become a valuable asset to Princess Anne High School.

Miss McCauley emphasizes to her sophomore English students the importance of books.

One of the dubious privileges of being a sophomore — dissecting a crayfish.

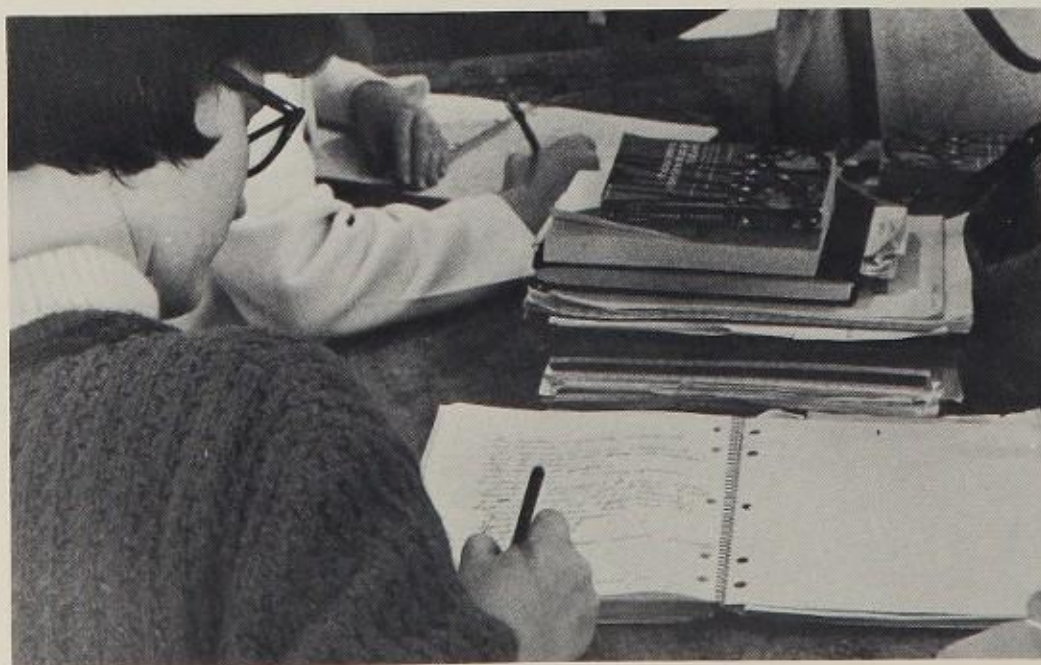

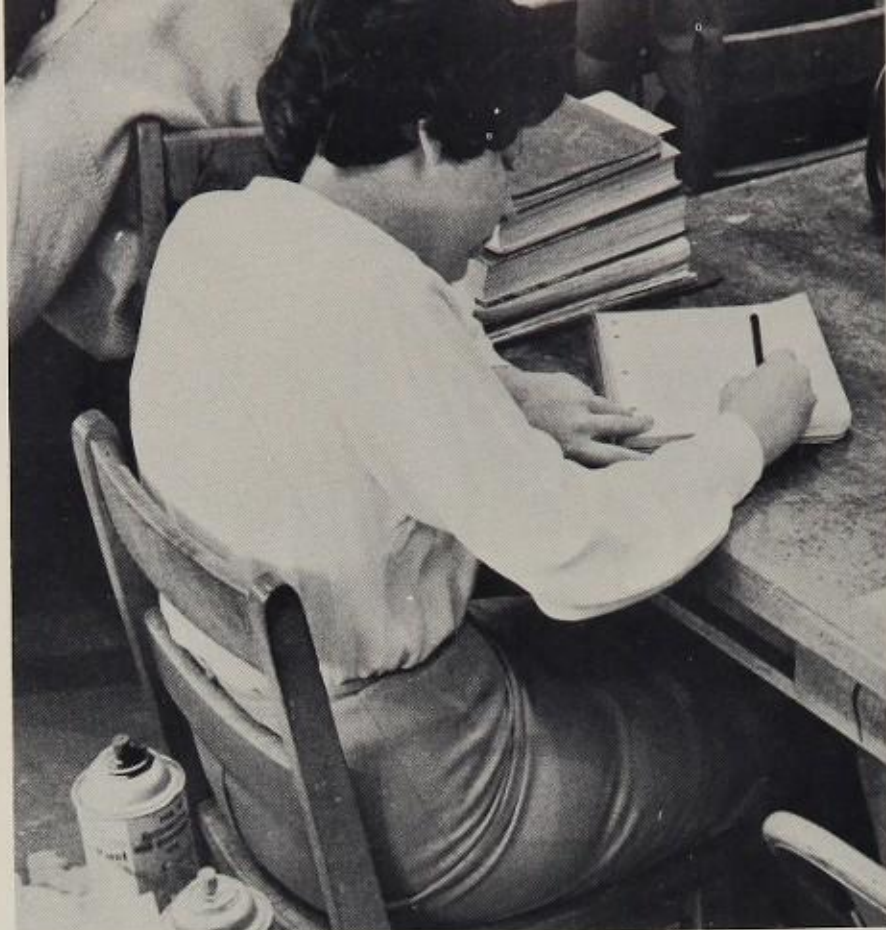

"Maybe this crayfish will take me to the Candy Cane Ball."

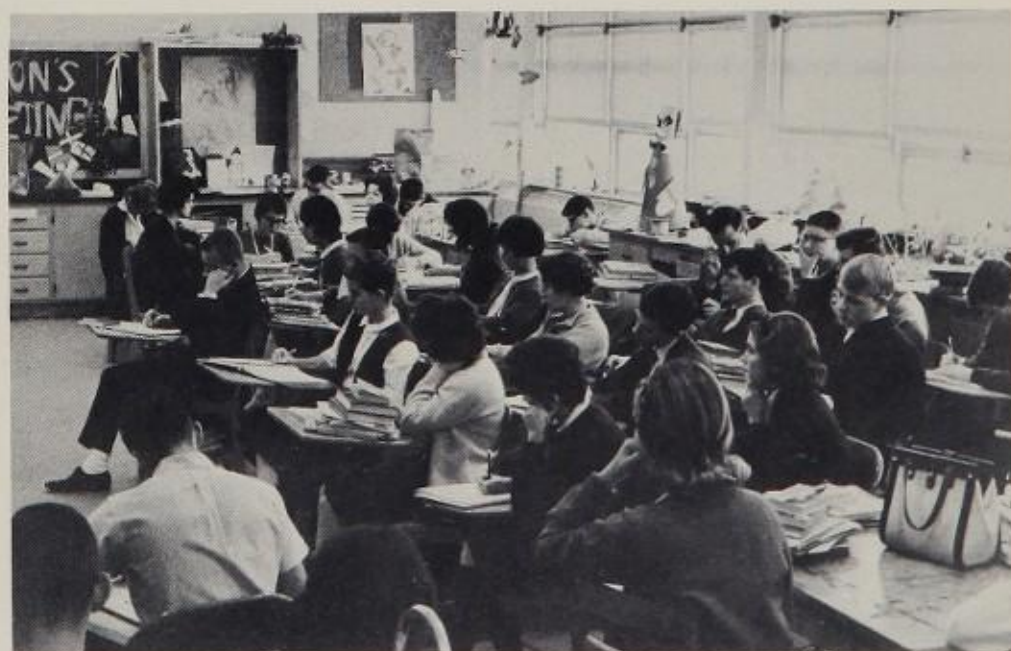

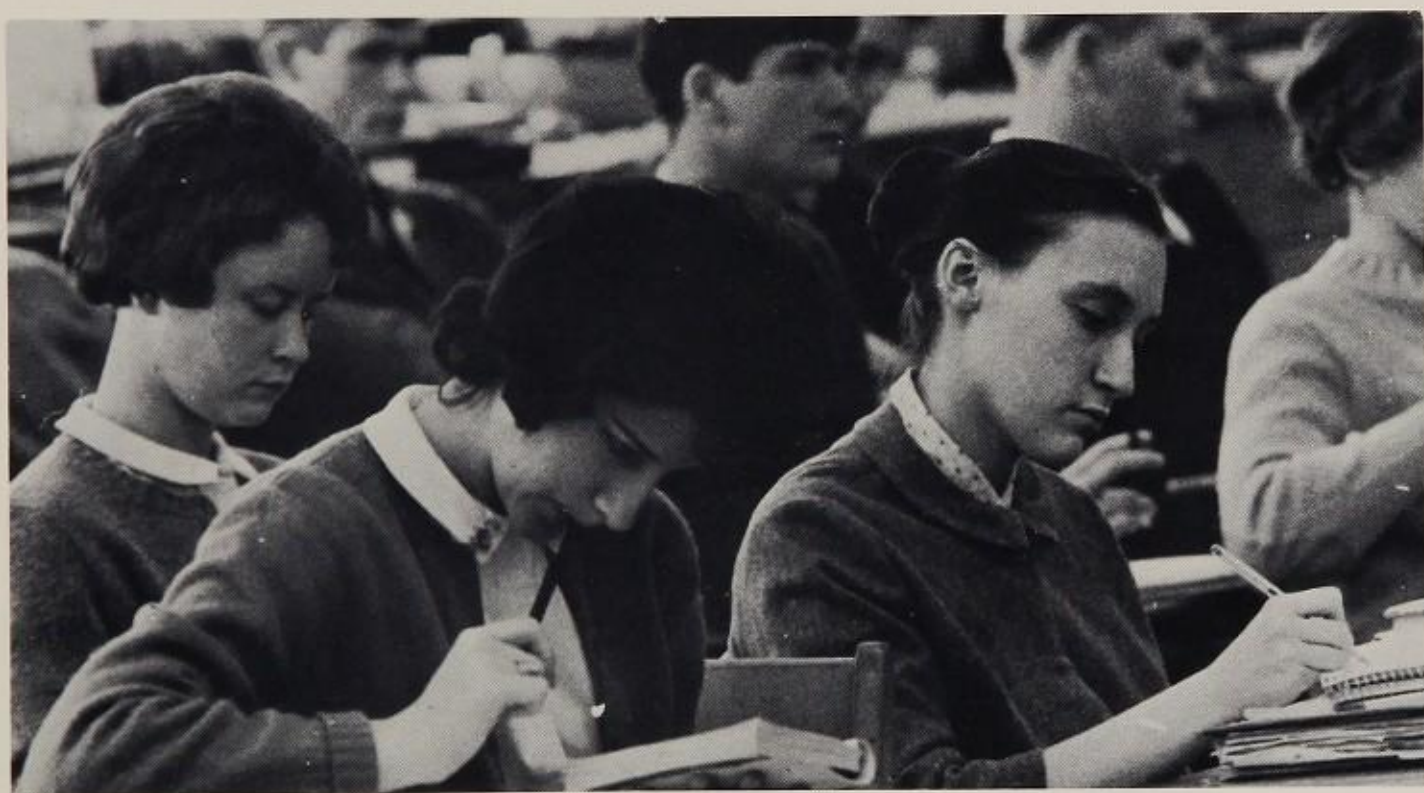

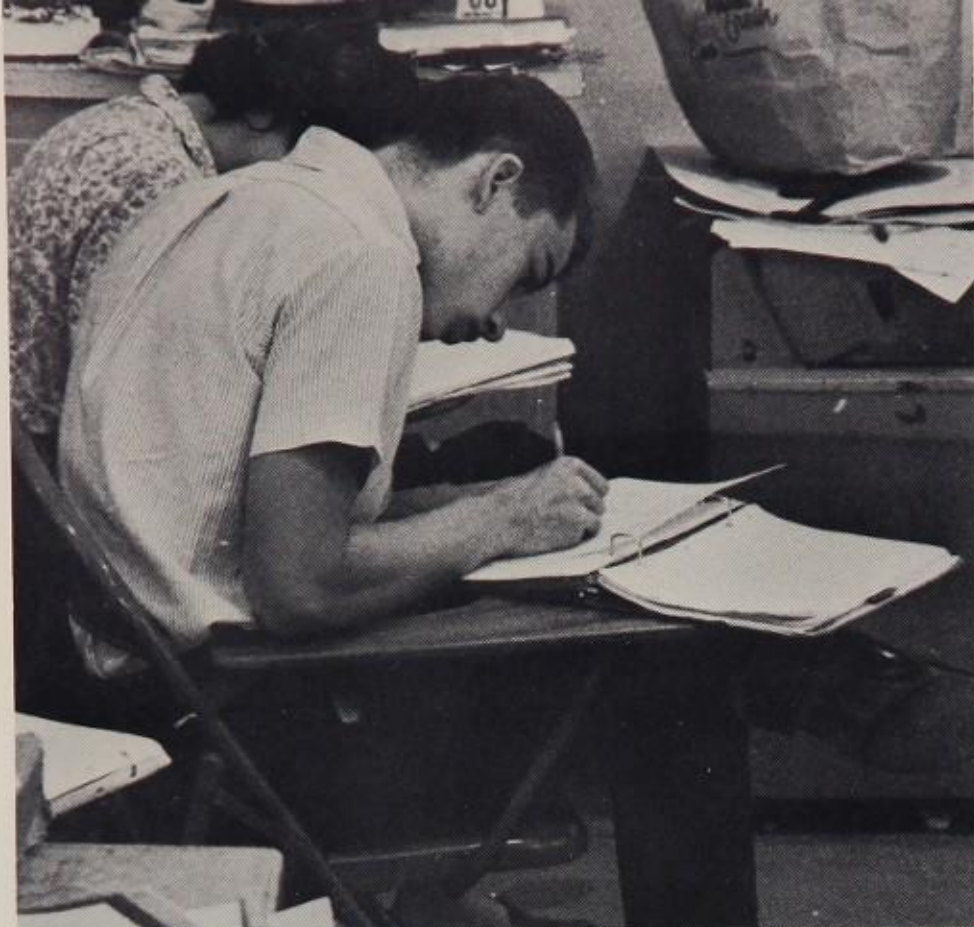

The ENVIRONMENT of activities enables the student to enrich his personality and knowledge. In the relaxed atmosphere of extracurricular organizations, many relationships develop which are not possible in the classroom. Members get to know each other better. Students work and learn without the false stimulus of grades. Sponsors and students become friends. Every student needs the experience of cooperative creativity which clubs provide.

Classes are the chief element of the atmosphere of Princess Anne High School. Because of varying capabilities and personalities, each class offers new opportunities. During each learning experience, students gather facts and methods which help them to assume positions of adult responsibility.

STUDENT COOPERATIVE ASSOCIATION

Under the guidance of Mr. E. E. Cox, Counseling Sponsor, the SCA has undertaken various original and traditional projects. The SCA's third foreign exchange student, Tine Olsen of Norway, has impressed all who have met her with her friendliness and conversational ease. In the fall the SCA sponsored the Homecoming Festivities and a Hootenanny featuring school and local talent. During Exchange Day, each school in the Norfolk area was invited to send two delegates to Princess Anne to spend the day. The E. E. Cox Scholarship, Honor Week,

and contributions to CARE helped students to cultivate high standards.

Council President Don Smith represented the SCA at the State Summer Workshop. Princess Anne also sent delegates to the District SCA Convention at Oscar Smith High, the State Conference at Longwood, the Miller and Rhodes Forum in Roanoke, and the Foreign Exchange Student Forum in Richmond.

The SCA has merited the respect of the student body in 1963-64 and looks forward to continued success.

The Honor Council is composed of Diane Davidson, Anne Heflin, Jim Landis, Linda Howell, Karen Parker, Martha Davis, and Frances Pollock.

Foreign exchange student Tine Olsen reads a letter from Yasuto Kajuju, last year's foreign exchange student from Japan.

Dear Friend,

My parents and I would like to tell our deepest condolence to President Kennedy's assassination. You know I never like writing the former President Kennedy. I never realized that a single person's death could make such a big stir and sensation all over the world. This illustrates how much Mr. JFK was admired and loved by the people regardless of nationality. It was seven o'clock in the morning when I first heard the news. (He was killed at four o'clock in the morning by Japan time.) I was at home for three-days off after a mid-term exam. In that morning (Saturday) my father came upstairs and knocked the door of my room saying, "President Kennedy was assassinated." I never believed him and thought and hoped he was just kidding, but he sounded much more serious than usual so I turned on the radio by my bedside and jumped up from the bed at that moment. I went down to the living-room where the T.V. screen was showing the scenes of the President's assassination. I never forgot that my body was trembling and my heart was beating so hard.

We were, for the first time, receiving the living T.V. news from the States by the help of Telstar on that day. We were supposed to hear the speech of the President, prepared before hand commemorating the first broadcasting from the U.S.A. to Japan, but it was canceled and unbearable news reached our T.V.'s in Japan. It was too terrible and too shocking to Japanese people. I just don't understand how come such a thing can possibly happen in America, which is the mother country of Democracy. National Broadcasting the first broadcasting from the U.S.A. to Japan, but it was Kennedy on that day. I found tears in my grandmother's eyes. This morning, I got up five o'clock and watched the funeral in Washington, D. C. Please remember my family, my friends, and everybody in Japan felt so much pity for his death.

—Yasuto

STAFF

After spending many pleasant (and a very few not so pleasant) hours in the annual room, the 1964 PEERAGE Staff is able to review their work with pride and pleasure.

The Staff sincerely hopes that the 1964 PEERAGE will bring to life for PA students that "glorious" year — 1964.

Peerage photographers include Phil Ryan, Linwood Respesi, Larry Dowdy, Bob Rooks, and Stanley Calhoun.

THE PAGE

The Princess Anne PAGE simultaneously keeps students informed and provides training for those who plan to enter the field of journalism. Special instruction is offered to staff members during SIPA in Lexington and CSPA in New York.

Few students know the process of transferring the spoken word to print. After the reporters gather news and write features, they are typed, proofread, and copy read. The PAGE owns an IBM machine which will tell precisely how to type the columns, to make the margins even. The copy is retyped and laid out on pieces of cardboard one and one half times the size of the original paper. Then the PAGE goes to the print shop, where a photostatic negative of the paper is made. The letters are burned into a sheet of aluminum which is attached to the press. After printing, the staff must avoid students who want sneak previews. During distribution, ROTO magazines are enclosed in the PAGE.

Editor Randy Weibel and faculty sponsor Miss Pavlides discuss an issue of the PAGE.

PAGE staff members for the first semester are (Left to Right) Marianne Vanieuwenhuise; Anne Beazley, Exchange Editor; John Bevel, Sports Editor; Teryl Thornton, Feature Editor; Jim Turner; Randy Weibel, Editor-in-chief; Mandy Venner, News Editor; Judy Hodges, Business Manager (not pictured) Larry Dowdy, Photographer; Kathy Grayson, Circulation Manager.

(Above) The Second Semester Page Staff is (Front row) Randy Weibel, Business Manager; John Bevel, Layout Editor; Billy Payne, Co-Feature Editor; Stu McCausland, Sports Editor; Le Roy Butler, Editorial Writer; (Back row) Anne Beazley, Co-Feature Editor; Lennie Punsalan, Exchange Editor; Sharon Infield, Exchange Editor; Mandy Venner, Editor-in-Chief; Judy Hodges, News Editor. (Right) Judy Hodges and John Bevel work on last minute layout. (Below) The Page has finally gone to press.

Key Club officers are (top row) Whit Martin, Secretary; Jay Ferguson, Senior Board Member; Buddy Treakle, President;

KEY CLUB

Since the first year of its organization, the Key Club has been one of Princess Anne's most outstanding service clubs.

The Key Club's purposes are to give service to the school and community and to promote leadership qualities. Among its many yearly projects, the Key Club sponsors the publication of the student directory, the student-faculty banquet, and the Roland B. Woodson scholarship.

What better way to raise money than a friendly little game of Five Card Draw?

Childress, Buddy Treakle, Tommy Yancy, Whit Martin, Russ Howell, Jay Ferguson, Lenny Ransdell, Jack Burkhart, Don Smith, Dick Foss, and Larry Hightower.

Under classmen: (top row) Ben Ward, David Grochmal, Bob Lee, Richard Vance, Bruce Brinkley, Chuck Brinkley, Mike Gariott, and Geoff Edelman; (bottom row) Rick Wolfe, Henry Yancey,

Tommy Coates, Rick Dunnington, and Keith Barton; (not pictured) John Ford, Gary McMahan, Bill Montez.

The Princess Anne Keyette Club, an honorary service organization, has achieved distinguished recognition for its school and community service projects.

Keyette members are chosen on the basis of character, scholastic achievement, and motivation.

Each year, the PA Keyettes sponsor the "Miss Princess Anne Pageant" in order to award a scholarship to a deserving senior Keyette.

Senior Keyettes form a lovely "K." Left back to front are Tine Olsen, Janet Thompson, Betty Martin, Brenda Eason, Diane Davidson, Suzy Blankenship, Lynn Oliver, Karen Tuttle, and Carol Blythe; Right back to front: Ann Heflin, Cecilia Gerloff, Leslie Russell, Jane Harrison, Sandra McNeill, Linda Howell, Pam Kerber, Kathy Kamps, and Pam Tompkins.

KEYETTE CLUB

Leslie Russell, Tidewater District President, Sandra McNeill, National Corresponding Secretary, and Lynn Oliver, National President, discuss Keyette projects.

Keyette officers kick off to a year of successful projects. Left to right are Karen Tuttle, Secretary; Martha Davis, Junior Board Member; Jennifer Camper, District Representative; Cecilia Ger-

loff, President; Pam Tompkins, Vice-President; Michele Schmidt, Parliamentarian; Ann Heflin, Senior Board Member; Diane Davidson, Treasurer.

Junior Keyettes include Linda Hendrickson, Gloria Brinkley, Sally Wilson, Linda Whitlow, Martha Davis, Karen Parker, Pam

McKittrick, Jean Kelly, Marsha Pierce, Francie Pollack, Bobbi King, and Nancy O'Brien.

The 1964 Miss Princess Anne Beauty Pageant broke several records. For the first time in its existence of four years, the pageant was presented to an audience of over six hundred people. For the second time in three years, a sophomore was crowned as "Miss Princess Anne." And still another record was broken. This was the first time in three years that a member of the Class of 1964 did not reign over the pageant.

Miss Abby Hilton, 1963 first runner-up, Crowns Miss Yvette Carpenter "Miss Princess Anne."

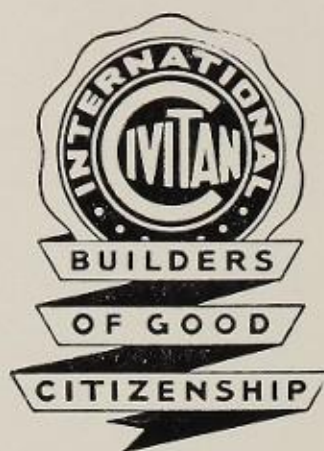

At a cost of over \$200, the club donated seven 4' by 6' photographs to the school. Officers admiring one of the reproductions are Richard McAndrew, President; Kathy Huggins, Vice-President; Vic Gregor, Treasurer; Barbara Bailey, Secretary.

Civitan girls prepared plentiful refreshments for the party after the Installation of Officers.

In cooperation with Civitan International, the club's largest project was the annual sale of Claxton fruitcakes. At least 20 pounds per member were distributed after a Thursday afternoon meeting.

Mr. Thomas Snodgrass
Sponsor

JUNIOR CIVITAN CLUB

Encouraging good citizenship is the purpose of Junior Civitan Club. Fellowship and an opportunity to serve school and community are benefits enjoyed by members. One meeting per month was devoted to a guest speaker. Mrs. Humphries, the first speaker, gave little known, valuable information concerning college application. Club members regularly visited Holmes Convalescent Home and gave patients Halloween, Valentine, and Easter favors. The Homecoming float, "Seven at One Blow" was the product of hard work by club members and Mr. W. Hatter. This club has proved that fun and work can be combined.

I am a Junior Civitan

I stand for good citizenship in my home, my school and my community.

I believe in my school, its faculty, its standards of scholarship, athletics and conduct. Believing in them, I pledge myself to be a good citizen of my High School.

I believe in the government of my country and my community, and pledge myself at all times to be a loyal citizen and respect the law.

I believe in the destiny of my country and knowing that the future of this nation is dependent upon the strength and courage of her people, I pledge myself to live a clean life.

I believe that true friendship is the greatest asset any person can possess, and I pledge

6

myself to be worthy of membership in Junior Civitan at all times.

I believe that the success of any organization is dependent upon the efforts of its members and that the members in turn are benefited in proportion to their interest and efforts. Therefore I further pledge myself to support whole-heartedly the club's program and its ideals.

MY CREED was proclaimed by the Man of Galilee when he declared: "Whatsoever you would that men should do to you, do ye even so to them."

MY PLEDGE is to practice this Golden Rule; to make it pay dividends both material and spiritual; to bridge with it the road to better understanding between faculty, sponsor and student; to build upon it a finer and nobler citizenship.

Horeis, and Elaine McGee, (boys) Richard Springle, Gary Forrest, Robby Pittman, Earl Neal, Ronnie Morrison, and Wally Church.

MADRIGAL SINGERS

Winning the reputation of accomplished musicians, the Madrigal singers have concentrated on music of Sixteenth Century Europe. The Madrigals have been the guest of the Cavalier Hotel, the Pine Tree Inn, and the Richmond Teachers' Conference. The Madrigals were honored to be the first group from Princess Anne to sing at the March of Dimes Ball.

BAND

The Princess Anne High School Band has developed its knowledge, appreciation, and skill in music. This fact is proved by the many performances and honors received by the band. Ever since the opening of the school, the band has earned an Excellent or Superior rating in State Festivals, as well as many marching trophies.

Many band members won a place in All-State Bands. The achievement most appreciated by the student body is the half-time shows at football games. Two formal concerts and parades were included in the band's curriculum. The Band not only helps its gifted members to realize their full potential, it brings the entire student body closer to an appreciation of the value of music.

bers. In order to create more spirit, the girls divided into smaller groups and marched for the basketball team.

Social events for the girls included pajama parties and a trip to Washington, D.C. In order to raise money for the trip, members sold candles and Christmas corsages.

What's the topic of business in this animate Trinity discussion.

Sponsor Miss McCauley listens attentively to Trinity business.

This year, as always, was an eventful year for the girls of Trinity Tri-Hi-Y. From the victorious September tug-o-war with Sigma Phi Hi-Y across Thalia Creek to spring bake sales, Trinity has been more than busy with its many service projects.

The most outstanding project of all was the adoption of a little South Viet Nameese girl. The girls wrote letters and sent gifts to their adopted daughter.

Trinity's float, "The Little Train that Can," placed second in the Homecoming parade.

During the Christmas holidays, Trinity gave a tea for the alumnae. Also, several Trinity members visited a local convalescent home and sang carols to the patients.

The girls of Coronet Tri-Hi-Y adopted a child, Lai On Yen, from Hong Kong. Throughout the year, projects are planned to raise the necessary funds to maintain the child. VARSITY BASKETBALL

Paced by the accurate eye and excellent defensive play of co-captain Bill Bowes, the Cavaliers posted a 5-4 record midway through their season. Outstanding this year has been the development of juniors, Mike Gariott and Gary McMahan. The cagers tournament hopes rest heavily on the outcome of several games later in the season including one with a strong Hampton team.

To the average person a wrestling match seems to be a mangled mass of human limbs, but to Princess Anne, it means much more. Although wrestling is considered a team sport, those who understand it know that there is much left to the individual in developing style, strength, and ability.

Princess Anne has always had a good wrestling team and this year is no exception. Good coaching and the determined attitudes of the boys have brought out the true spirit and willingness necessary for a winning team.

Each year on March 1, Princess Anne's hopes rise as the expectation of another winning baseball season draws near. In recent years, the Cavaliers have come within one game of attaining the magic Eastern District Championship. One or

two bad breaks have held the Cavaliers back, but if strong hitting and fast pitching are assets to a ball club, this year's Cavaliers should come close to attaining their goal of winning their first District championship.

Rarely does a high school student's life begin and end in the classroom. High school memories will include many and varied experiences. Perhaps the tense moments before exams and report cards will fade from the memory. Surely, the excitement of homecoming and other special occasions will not be forgotten.

Each summer, Virginia Girls' and Boys' States are held at Radford College and Virginia Polytechnic Institute. Representatives from high schools all over Virginia gather at the two campuses for a memorable week of meeting new friends, and learning about local and state governments.

The American Legion and the American Legion Auxiliary sponsor Girls' and Boys' States to provide Virginia's youth with a greater ap-

preciation of the American system of government.

Princess Anne's delegates were nominated by the faculty and elected by members of the 1963 Junior Class.

Three members of Princess Anne's delegation earned outstanding recognition during their week at Girls' and Boys' States. Lynn Oliver was elected Attorney General of Virginia Girls' State. Pam Tompkins and Buster O'Brian were elected mayors of their respective cities.

Lee Kerr scored a perfect 800 on the mathematics section of the S.A.T. college board.

Princess Anne's most outstanding seniors — Larry Legum and Mary Fran Hughes.

In addition, three PA students were granted National Science Foundation Scholarships to attend summer science seminars at outstanding colleges.

Remember, America . . .

"Eternal vigilance is the price of liberty."

— Thomas Jefferson —

In the historic land served by Virginia Electric and Power Company, this warning is not easy to forget. On every hand, contrasted with the landmarks of this progressive, growing area, are the monuments to America's unending fight for freedom.

But freedom cannot be preserved in stone or defended by monuments. Freedom must exist in the heart of the individual. It must be championed by the living.

The freedom to build . . . to create . . . to grow as free individuals in a free nation is our priceless heritage from the past. Its cost is our eternal vigilance.
